

ROWAN UNIVERSITY SCHOOL OF OSTEOPATHIC MEDICINE

GROW WITH US

With a proposed second campus, Rowan University School of Osteopathic Medicine (RowanSOM) is looking to further expand in the South Jersey region.

At the same time, we're seeking skilled physicians in several areas for Rowan Medicine, our large clinical enterprise. Available positions include Family Medicine, Pediatrics, Psychiatry, Special Needs, PM&R, OMM, Pain Management, Ob/Gyn, and Addiction Medicine.

WE'RE GROWING... AND HIRING!

Your RowanSOM future could include:

- Teaching the next generation of physicians in a Problem Based Learning curriculum
- Participating in research at a Carnegie classified R2 public research institution

RowanSOM is convenient to Philadelphia, New York City and the New Jersey beaches.
