Now Hiring primary care Osteopathic Physicians

Emmitsburg Osteopathic primary care Center, Inc. is a debt free, small non-profit teaching medical practice now hiring primary care osteopathic physicians. EOPCC was established in 1999 and serves the greater Emmitsburg, MD area.

Because EOPCC is a non-profit teaching medical practice, those who carry student loans will be able to apply for loan forgiveness if they serve here for 10 years.

EOPCC seeks to hire up to two physicians. We hope that those whom we hire will eventually take over the practice extending our service to the underinsured well into the future. It is important that these physicians make their home in Emmitsburg proper and not commute from another location.

The students we teach include third and fourth year Osteopathic medical school students from WVSOM, nurse practitioner students from University of Maryland, Simmons College, Boston, Chamberlain University of Downer's Grove, IL, as well as University of Cincinnati. Meritus Osteopathic Medical School, Hagerstown, MD would be a future source of students for Board Certified Osteopathic Physicians.

Thanks to a most generous donor, EOPCC has funds to support a comfortable 1st year salary in this expanding practice. After this, productivity would guide take home pay for the physicians. It is important that these physicians can work together as a team dedicated to the well-being of each other as well as our patients.

Please send your application and CV to EOPCC. P.O. Box 1219, Emmitsburg, MD 21722 or email to EOPCC@aol.com. ATT: Bonita J. Krempel-Portier, D.O.
